Weekend Membership Program

Effective January 1, 2008, all competitors are required to be a SCCA member (includes Individual, Spouse, Family, First Gear, Lifetime and Military) *or* a Weekend Member. Solo participants who are weekend members pay an additional \$10 for each event on top of the regular member entry fee. This provides SCCA weekend membership for five consecutive days. The additional \$10.00 fee insures you for up to One Million Dollars (\$1,000,000.00) for medical expenses in the event of an accidental injury (just like regular members), and you will receive one issue of SportsCar® Magazine.

If you decide to join the SCCA as a regular member and do so within sixty days of participation as a "Weekend Member," the application form becomes a \$15 discount coupon that can be applied to your annual SCCA membership. If you participate as a Weekend Member twice within a sixty day period, you can combine two \$15 discount coupons and apply the \$30 discount to your annual SCCA membership dues.

SCCA Membership Benefits

In addition to discounted solo entry fees, SCCA members enjoy many benefits, including:

- A one-year Magazine subscription to SportsCar® Magazine, the official publication of the Sports Car Club of America.

- Discounts from many retailers, including automotive products, consumer products/gifts, food, personal services, publications, and travel. The full list of participating retailers can be found at

<<http://www.scca.com/contentpage.aspx?content=81>>

- All SCCA members are protected with the best event-related insurance program in motorsports at no additional cost. Properly registered SCCA members who are accidentally injured while participating at SCCA events are covered for up to One Million Dollars (\$1,000,000.00) in medical expenses.

Still not convinced of the benefits of becoming a SCCA member? Here's a breakdown of how much you could save just in your first year:

8 Solo Events @ the non-membership fee of \$36 each event (if pre-registered) = \$288

8 Solo Events @ the non-membership fee of \$41 each event (if registered on-site) = \$328

1 Solo Event @ the non-membership fee (receive up to two (2) \$15 discount coupons toward membership) + 7 Solo Events @ the membership fee of \$26 (if pre-registered) = \$203 (savings of \$85 which is greater than the cost of annual dues when applying the \$15 discount coupon.)
