

Join the SBR SCCA 2013 Winter Expedition!

As part of the region's continuing efforts to reward its members, the South Bend Region SCCA is offering a winter day trip to Indianapolis on Saturday February 23rd to enjoy indoor karting, or a trip to the Indy 500 Hall of Fame Museum, followed up by an exclusive private tour of the Target Team Ganassi facility not open to the public. Best of all, SBR is covering all charter bus expenses so you can spend your race money on racing karts and looking at racecars!

This is a "**SBR Member's Only**" event. Each member may bring one guest, spouse, or significant other. The bus trip is limited to the first 56 people preregistered. The Karting Challenge will be a team enduro event and is limited to the first 24 preregistered entries. The alternate Indy 500 Museum tour has unlimited participants and the entire SBR group will be visiting the Target Ganassi facility together. Preregister only on MotorsportReg.com.
