OFFICIAL PUBLICATION OF THE SOUTH BEND REGION

Volume 66

SPORTS CAR CLUB of AMERICA

October 2022

## RE Report October

The checkered flag is about to waive on competition events for the Region, GLDiv and National Runoffs at VIR. There is a Great Lakes Divisional autocross at Grissom October 8-9 and our final Regional autocross at Tire Rack scheduled for October 16<sup>th</sup> which will complete the competition season in our area.

We are preparing for the election of club officers. Elections will be held during the November meeting. Please consider running for a leadership position in the club if nominated. We have been fortunate to have multiple candidates step up when asked to serve. It is good to have fresh ideas and leadership. I have learned much in my brief time completing Paul McBride's 2022 term as Regional Executive, and I will also run for RE for the 2023 term. The Board and I welcome any candidates that may have a desire to be RE or Board Members and hope you consider putting your hat in the ring. Should you win, you will find a very supportive team. Duane Belisle and Brian Tack are on our Nominating Committee and they will be contacting you should your name be put forth by a fellow member as a candidate for office. Nominations will also be accepted during the October meeting so we can get the ballots printed before the November election.

Kim Bollinger is still looking for a volunteer to take over as treasurer and Denny Jennings is looking for a new PitBoard Editor. Please consider helping the club with these important duties.

We are still looking for speakers and presentations for our winter club meetings. Please drop me an email at RE@sbrscca.org if you have any ideas and I will follow up.

We sent out a survey regarding a potential 2023 winter trip. We will be reviewing the responses to determine our options and level of interest. We hope to see you at the two next monthly meetings at Beef O'Brady's on 10/4 and 11/1 at 7pm.

## FROM THE EDITOR

Here we are in October. Only one more solo to be run for the year. Thinking about having a rally in late October or early November. If you would like this please let me know at the October meeting. I need to know if there is an interest in a rally. We could finish somewhere and have the results while everyone had a bite to eat. This is what we have done in the past.

As we get closer to the end of the year, please keep January 14 open as this is the tentative date for our awards banquet. It would be nice to have all of the awards winners present to get their awards. If you know someone that is a winner try to make sure they come. The more the merrier as they say.

Also along that line please remember that if you won a travelling trophy last year bring it to the November meeting so we have them all to engrave with new winners. We absolutely need them by the December meeting.

October is when we start receiving nominations for officers for the 2023 year. This is your club so come and nominate someone you truly want to represent your club or even nominate yourself. Basically the only meeting the board has is before each monthly meeting so it doesn't require much time. It would be nice to get some new, younger people to be involved in the running of the club. Some of us old farts are getting tired of always being there. We would like to enjoy some of the fruits of our labor.

I can remember having to go to a bank and get a loan to put on our races when I first joined the club. It was pretty daunting to put your name on a loan for the club. Thankfully the club is in a very solvent position that we don't need to do that any longer. We are a very strong group of people that love the sport and work well with each other to make things happen.

I am including a couple of pictures from the last solo. Hopefully someone sends a report of that event.

We are going to be updating our website a bit so if you would like to see something added or deleted from that please let Mark Bublitz know. You can contact via email at [webmaster@sbrscca.org](mailto:webmaster@sbrscca.org). You can also let Mark Manninen know and he will pass on the word.

Along those lines if you would like something specific included in PitBoard please let me know. I would like to have our newsletter be as informative as it can be.

I think that is all I have for now. See you at the meeting.
