3/5—General Membership Meeting at Beef O’Brady’S in Granger Indiana

3/16—Solo Trailer Cleanout at Shaumbaugh Shop

## RE REPORT

Tax season is in full swing for H.C. so I volunteered to sub for him. Our next meeting is on March 5 at the usual place. There will be a board meeting prior to the general membership meeting. Please come and join in and enjoy the good food at this meeting place.

We have a good contingent of people going to Great Lakes Spring Training this weekend. We will try to have short reports from all those that attend at the meeting. There will be a few National folks at the meeting also. It is nice to see an interest from them.

As you can see we have a lot of things that you can join in with the club. Baseball games, races, solos, rallies, and the Motorstate Challenge. All you have to do is sign up to attend and we will do the rest. No experience is necessary. Sign up at the meeting for some of the events and watch PitBoard for further information on the rest.

Watch PitBoard for the new points structure coming soon. The board is working on this and would like to hear any input you have concerning this issue.

We have several new members this month. Hopefully they can come and join us at a meeting or an event soon. Everyone — Go out there and recruit new members. Let them know who we are and what we do.

See you next Tuesday

Denny

## Awards Banquet by Peggy Anson

Mother Nature always knows when SBR is having their annual banquet. We have SNOW, ICE, and VERY COLD. It would not be right if it was any other way. I hope that everyone made it back home.

The fellowship before was nice.

Thanks go to Jim Morris Smokin Cafe for the food. The brisket was exceptionally good. I am not an asparagus eater but tried it because of the prosciutto wrapped. I ate it all. Everyone enjoyed the entire meal. There was a variety of pies and cheesecake for dessert.

David Gushwa did an excellent job taking care of our guest, phone, and slide show. Virgil Exner Jr was enjoying himself while talking about his dad and his own life experiences. Technology let us do magnificent things without being in person. David Anson was really looking forward to meeting him, and still enjoyed the speaker. For a 90-year-old gentleman, he is quite a speaker and particularly good with his past.

There were fifty-three people at the banquet. The nasty weather did not stop them. One year all the award honorees will be present. We would need a bigger building.

Conrad Adams  
And  
Micah Hilton

Do not forget that membership in SBR does give pay backs. You get points just for being at the banquet, coming to meetings, being a volunteer in solo and racing, stepping up and taking an event chair, helping in the background. Becoming an officer or volunteer board member.

Everyone can help make SBR great in 2024. It depends on all of us.

# SOLO REPOPRT

SBR held its well-attended planning meeting for the 2024 Solo season in early February. Lots of productive discussions centered on ensuring we hold high quality events that run smoothly and offer all autocrossers challenging and fun competition.

Our preliminary schedule includes seven events, four at the Tire Rack test site and three days at Grissom ARB. The Tire Rack dates are not yet locked in at this time, but are listed below for your planning.

We still need volunteers for Workers Chief and Announcers for several of the events. Please contact Kim Bollinger for details! To get ready for the season opener in April, clean-out of the region trailer is planned for March 16 at the Shambaugh & Sons building.

Event schedules and pricing will remain unchanged from last year. Series Class Championship awards will be based on the best 4 of the 7 events, and winners must be SBR members by the 7<sup>th</sup> event. All runs at each event count toward determining who wins their class and also for Tire Rack Index standings.

As has been the practice in past years, SBR's autocrosses will be run under SCCA 2024 Solo Rules, including tire eligibility. SBR's Solo program continues its strong support from the Tire Rack and will not be offering any other contingency or tire sponsorship programs. Region-eligible supplemental classes will continue to be offered.

Anyone interested in becoming a Solo Safety Steward can take the on-line class via the SCCA website. Contact George Williams for details. We always need more SSS's, so please consider taking on this important role!

## MOTORSTATE CHALLENGE

Coming July 18-20 will be the 16th annual Motorstate Challenge by Lane Automotive. Sign up is already underway. South Bend Region will once again be putting this event on. It is a great opportunity to see some of the best Pro-Touring cars in the U.S.

If you haven't attended one in the past, you are missing some great drivers and cars.

We start off on Thursday the 18th with registration and then a cruise thru southwest Michigan with a dinner hosted by Lane afterwards. Lots of great camaraderie happening here.

On Friday morning we go to Gingerman Raceway in South Haven Mi. to do timed laps with some of the best drivers that Motorstate has to offer. That is followed usually by an ice cream social.

Saturday morning we gather at the Tire Rack in South Bend for a traditional autocross, followed by the awards being given out.

If you don't want to miss this it is easy to attend. Just sign up at a SBR meeting or email Denny at [pitboard@sbrscca.org](mailto:pitboard@sbrscca.org) . We would love to have you come to help out at Gingerman by doing Tech inspection in the morning followed by working a corner to see these machines do their thing on the 2.2 mile road course. Saturday you can come and see them up close by working chasing cones. We really rely on you helping as it takes a big group to get the job done. Plus, we pay you to come out and help. Don't miss out!!!
