## Come On Out and Play

It's mid-July and we're right in the middle of the racing season. The Solo folks are halfway through their season with two Solo's coming up before the August meeting. If you haven't had the time to get out and play, you still have time. While you're out there, be sure to thank the SBR members running the show for doing a good job. Solo Chiefs love the sport as much as you do and have taken extra time to help organize the event(s); so they would probably really appreciate it if you took some time between runs to thank them. While you're thanking them, perhaps you could ask how YOU could get involved at a Solo besides just showing up and going fast. We would love the help and would welcome any fresh ideas that you may have to make the sport better.

At the July Board Meeting, we discussed the possibility of purchasing a new trailer and/or tow vehicle to be used primarily for Solo. If you've traveled to other Solo's and witnessed what other regions are using, or if you have an idea to help make our storage and transportation lives easier for Solo, please let us know. "Us" would be Kim Bollinger, Bill Loring, Mark Manninen, Paul McBride or myself.

On the road racing side, SBR is sanctioning a race at GingerMan on August 25-26th. Our race chair, Paul McBride, has been working for months getting this thing organized and it's getting close to actually running the event as opposed to just talking about it. There are several areas where we could use help. Corner workers are always much appreciated. Even if you've never worked a corner, you will be teamed up with somebody with experience to help show you the ropes. I've done it on several occasions and have found it a neat way to get up close and personal with the cars. While you're out on a corner, there is plenty of time to chit-chat about cars, the weather and world events.

Duane Belisle is also working on finding members to staff the gate. All that's required here is to stand/sit outside the gate of the track and check ID's as people come to the race track. If we can get a group of eight folks or so, we could work it out so you are only

## SBR MEETING MINUTES (7-10-07)

ATTENDEES: Kim Bollinger, William Loring, Paul McBride, H.C. Colwell, Jeff Luckritz, Mark Manninen

Approved minutes from 6/5/07 with a correction to the National Race entry fee from \$235 to \$245.

TREASURER'S REPORT - H.C. Colwell:

INCOME: Positive cash flow again this month.

EXPENSES: Did not exceed income.

The Club is nearly out of the RED!

MEMBERSHIP: 176

SOLO—Kim Bollinger:

The June SOLO Event at Grissom had 56 entries vs the 80 we had budgeted, only incurring a slight loss dollar-wise. Despite the rain, the event came off successfully and was enjoyed by all those participating. The Timing/Scoring/Public Address van required some unforeseen repairs and the Club trailer is at/beyond capacity with a weight closing in on 7,000lbs (reference trailer inventory sheets)! *We need to investigate the future needs of both of these vehicles for our next racing season.*

RACE—Paul McBride:

We are waiting on a sanction # before we can release our National Race registration forms. We are searching area hotels around GingerMan for acceptable rates for the National weekend. Most all chief positions have been filled, but *we are still seeking gatekeepers and F&C workers*. Entry fees have been set at \$245 and we would like to see at least 110 cars registered. Jeff L., Bill L., and Paul M. are getting the word out about registering for this event by various manual and electronic vehicles. Since we have a close working relationship with WMR we might want to consider a "challenge" series with them between our two National Races for next year where we could offer drivers discounts/points for registering to race at both events at one time.

PROGRAM CHAIR: None

OLD BUSINESS: None

NEW BUSINESS: None

GENERAL MEETING: 20 in attendance

Respectfully submitted.  
Leon Krauss  
Secretary

# Attention Solo Drivers and SBR Members

The South Bend Region will be hosting a National level Road Race at GingerMan Raceway August 25 and 26. We will need many SBR members to volunteer to help put this event on successfully. One of the places we need to provide manpower is gate security. For this purpose I am hoping to organize a group of SBR Solo people to handle the gate security. The job is quite simple; just check everyone's credentials as they come to the gate and if they do not have the correct credentials just send them back to registration. Everyone will be admitted after they sign the waiver and if required, pay the fee.

What is in it for you? SBR will allow the race workers (gate security) to drive their vehicles on the race course during the lunch period on Saturday and Sunday. These will be "brisk" laps with some limited control by the pace car. These will not be completely "hot" laps but you will have some opportunity to drive your car on a closed course at a much higher speed than you will normally get at any Solo event. All cars must have an effective muffler and a cursory safety inspection just as at a solo will be required.

Also, all race workers are provided with meals both Saturday and Sunday. Saturday and Sunday morning there will be continental type breakfast. A box lunch will be provided both Saturday and Sunday. Saturday evening there will be a full dinner party with beer and wine for all the race workers. You do not have to be there both days. You do not have to be an SBR member to volunteer. SBR has a few trial memberships available for non-members to come and participate at the Road Race.

I'm hoping to get at least 4 or 5 (hopefully more) Solo people who want to try their driving skills on the GingerMan course in exchange for a few hours at the gate. If we get a good number of volunteers, no one will have to spend more than a few hours at the gate.

If you are interested in helping please contact myself or race Chairman Paul McBride (contact information on page 3 of this issue).

This is a good opportunity to experience another form of SCCA Motorsports and see if you want to expand your SCCA activities.

## Another 1-2 Finish at the Milwaukee National Tour

Last weekend, Chris Harvey took his first Solo National Tour victory in Peru, IN by edging out his co-driver John Rogers in Chris' new B-Stock Mazda RX-8. This weekend, John returned the favor, and also claimed *his* first Solo National Tour victory by staging a come-from-behind victory over Chris in that same car at the Milwaukee National Tour. John drove incredibly fast on Sunday, gaining back his entire three tenths deficit from Chris, and moving four tenths into the lead. And he had an even quicker run but had penalty for a cone. Impressive.

Chris is philosophical. "[With the contingency from Hoosier] we have tires for Nationals now, so that's worked out well."

You can see the entire results on the SCCA website, including other SBR members like Steve Tamandli and Crissy Weaver.

*(Continued from page 2)*

working 1-2 hour shifts and the rest of the time you can watch the race cars, help in another area, hang out, or go home.

Timing and Scoring could always use help too. As you sit in air conditioned bliss, you record the numbers of cars as they break the timing lights. Like all work areas, there will be somebody in charge with lots of experience who can show you what to do. Time flies because you constantly monitor what's happening on the track. In between sessions, you relax and enjoy the scenery.

If none of those jobs appeal to you, come on out and let us know what you would like to do. There is something for everyone. Besides watching racing for free in beautiful Southwest Michigan, we'll feed you all day and inspire you with our stories. Enjoy your Summer.

Entry blanks and event details available now at [www.sbrscca.org](http://www.sbrscca.org)

Support your region. Join us at the track and help us put on this important event. You can work at almost any specialty you choose. We especially need Flagging & Communications (Course workers) as well as folks in Timing and Scoring (in air conditioned comfort on the top of the control tower). Bring your friends. They will get valuable on-the-job training. Even if they are not SCCA members we'll cover them with the best insurance in racing. And we'll also give them a discount on future memberships if they enjoy the action. We offer a continental breakfast, lunch and dinner on Saturday for all workers and breakfast and lunch again on Sunday at no charge. **A brisk drive of the track for all workers on Sunday is also offered.** You should be done by 3:00 PM Sunday. Work either day, or both!

**Workers!** All specialties warmly welcomed! **Workers!**
