## RE Notes

Jeff Luckritz

As many of you know, I have held the position of RE for several years now. One of my personal goals for SBR has been to sanction a national road race. Fortunately, with hard work, persistence, and a favorable history of putting on quality regional events, South Bend Region held its first national in 2007 at GingerMan Raceway. While Paul McBride did a fantastic job as Race Chair, he couldn't have done it without the enthusiasm of over 30 SBR members showing up to work corners, registration, timing and scoring and a myriad of other tasks that must be done to hold a quality event. We're on the schedule again for 2008 and our event should be even bigger and better.

On the Solo side, South Bend Region continues to be a leader in the Solo community. Solo Chair, Kim Bollinger, has done an outstanding job for the past several years and we were lucky the Bollinger's moved up north from St. Louis. The whole family has been a fixture in SBR since they've arrived. For 2008, Mark Manninen has taken over the role as Solo Chair. He's been working as Assistant Solo Chair in 2007 and has been very active in Solo for many years. I am confident that our Solo program will continue to prosper.

Probably the most impressive aspect of our club is how well we get along. There is no "Solo" vs. "Race" animosity. Realizing that we are all in this together, every member in the club has been working towards the common goal of having fun with cars. It makes it a joy to be a leader of so many fine people.

I believe we need to address two issues in 2008. One, we need to figure out a way to increase membership. When I first started as a board member sometime earlier in this millennium, SBR typically hovered around 200 members, plus or minus 5. Presently, we are right around the 160 mark. We need to figure out a way to get more people to commit to the club. To do that, we need to make SCCA membership attractive. Together with the board of directors and your help, we need to get our membership to increase. Got ideas? Let me know.

In 2008, SBR is going to take on the Street Survival Series. Basically, this program targets teen drivers. Automobile crashes are the number one killer of teens in this country. Besides being distracted very easily, teen drivers just don't have the skills needed when an emergency situation arises. Adam Lewis has volunteered to head up this program and will be working closely with the folks from The Tire Rack. Not only will we be doing a community service, hopefully it will get kids and their parents excited about driving near the limits in a controlled setting like an autocross.

Finally, if you have any suggestions or comments about the way things are run in the South Bend Region, please contact me via e-mail at [jluckritz@sjschools.org](mailto:jluckritz@sjschools.org) or give me a call at (269) 429-3676. I'd love to hear from you.

## SBR MEETING MINUTES (11-06-07)

**ATTENDEES:** Kim Bollinger, William Loring, Paul McBride, H.C. Colwell, Jeff Luckritz, Mark Manninen

Approved amended minutes from 10-2-07.

**TREASURER'S REPORT-** H.C. Colwell:

**INCOME** exceeded expenses for the 2nd month in a row.  
**MEMBERSHIP:** 158

**SOLO-**Kim Bollinger: TIRE RACK dates have been blocked in for 2008. Additional sites are being considered. Week-end memberships are new for the coming racing season. Street Survival Schools in 2008: 4 events are being suggested. SBR SCCA feels that the Street Survival program is worthwhile and the good people at Tire Rack are willing to work and train us with the possibility of SBR taking over the program in the future. \$1400 was requested and board approved for 2008 SOLO trophies.

**RACE-**Paul McBride: Paul, H.C. Colwell, and Jim Desenberg attended the Round Table talks in Ft. Wayne. 7 Nationals are planned for 2008 in the Great Lakes Division (GLD) including ours. Discussed Regional and National races and how we might work/share with other GLD regions on the 2008 schedule. Jeff and Paul will follow-up.

**PROGRAM CHAIR:** Kim Bollinger presented a talk on SOLO Kart racing, including the participation/experiences by our younger/future SCCA racer-members.

**OLD BUSINESS:** The annual SBR SCCA banquet has been confirmed to be held at the National Studebaker Museum on Saturday January 19, 2008.

**NEW BUSINESS:** The annual election of officers for the SBR Board of Directors was held. Jeff Luckritz was re-elected the Regional Executive; William Loring was re-elected the Assistant Regional Executive; Kim Bollinger, Mark Manninen, and Paul McBride were re-elected to another year on the board.

**GENERAL MEETING:** 22 members in attendance plus two guests.

Respectfully submitted,  
Leon Krauss,  
Secretary

## My Day at the Last SOLO of 2007

Bob Bowman

I was hoping to just have to show up to win my class championship, but of course my competition just had to show up. So now I had to finish in front of the one guy because you have to run three times in the class to get a championship for that class, and this was the third race for both of us in this class. He went out first and I went out third. So just before I would start I would hear them announce his time. First round, he runs a 57.351. My turn I get a 59.556. OK. I have to try something. This isn't working. I turn off the traction control. Man I hope I don't lose

control of this car. Second round he goes out runs a 56.688. Dang, he got faster. OK. I can do this. My turn, 57.256. Better but not good enough. OK, I need caffeine. Drink a Pepsi. Third round, he runs a 54.704. Dang, how did he do that? Wait, he hit a cone! 2.0 second penalty. Great, my turn 55.932. YES, I am in front of him. Now he just needs to hit a cone on his last run and I will be champ. OK, roll up the windows and lock the doors. Not talking to anyone until this is over. His last run: 54.504. Fastest time he has run all day. Well here it goes. I leave the starting line and realize I left the traction control on. Dang, now I am looking for the button to shut it off and trying to stay on course. Get the traction control shut off now, I know I have to make up time, OK I am going to wreck or win... 52.725 HELL YEA I AM THE 2007 B Stock CHAMPION!
