## SBR SOLO Events #3 and #4

Mark Manninen, Solo Chair The South Bend Region ended up starting off the GLDiv Solo Series this year with the first two GLDiv Solo Series events held at Grissom Aeroplex in Peru, IN. This was also South Bend Region Solo Championship points events #3 & #4. Great Lakes soloists are a flexible and friendly group and we tend to just roll with things. We did just that on June 6th and 7th under the mostly sunny skies of north central Indiana. We rolled, rocked, and raced around the cones on one of the Midwest's legendary solo venues while being serenaded by the sounds of highthrust turbofan jet engines in a typical June weekend at Peru, IN.

The weather was more than pleasant for the entire weekend with no rain, lightning, or other bizarre weather phenomenon usually expected at this location. The only thing hot was course was long? Wow. You defithe tires and drivers of the Great Lakes Division as they competed with four runs each day without significant incident. Each day was scored as a separate points event for the GLDiv Solo Series and weekend trophies were issued on the combined two-day time like a Tour event. If you could only run one day, you still could get your winning 100 pts for one series event. 98 drivers ran on Saturday and 91 drivers ran on Sunday.

The course design by Dave Gushwa of South Bend Region on Saturday was different from the usual open

to expect at this large venue. The course on both days incorporated the entire main area in the course design utilizing a remote grid area similar to the Peru National Tour from last year. The Saturday course was visually intimidating to some with a few optical tricks leading one to think it was a lot tighter when walking the course that it actually was while driving it. Dave picked up some ideas from last year's Nationals and Tour events and made a course design that paid off well if you concentrated on utilizing good solo driving fundamentals like looking way ahead, being smooth, and driving the best line. You could not drive to the cones and get a good run. One optional slalom area was the subject of much debate during the walks. A lot of "give up some here to get more there" discussion was overheard. Some of the national level drivers said to expect more of this type of course at national events in the future. Did I mention the nitely could not hold your breath for the whole run. When you finished you knew some effort was involved.

The drivers that had no issues with looking way ahead on Saturday were Clemens Burger in his B Mod LeGrand Mk18, Mark Lamm in a C Mod 73 Dulon Mp5, and Don Elzinga in another C Mod 84 Reynard taking the top three in PAX issues at this solo site! index for the day. The Mod drivers obviously have the looking ahead part down pat. Some of the closest battles Saturday were in C Prepared with Bill Headlee just getting by Scott Lewis by .069 sec and Warren

"road race" course some have come LeVeque only .093 behind Mr. Lewis! The Street Touring gang were a tight bunch with Will Lahee, Jeff Mabrey, Brian Davis, and Travis Robuck putting on a quite a show. FTD was Clemens Burger from Indy with a 59.232. Fastest Stock Class time was claimed by Bryan Schafer from Cincinnati Region in Super Stock with an impressive 67.324 in a big Corvette (There goes the "too tight" course argument in a flash). Fastest of the Touring Classes was snagged by Will Lahee from Indy with a 71.844. Fastest Jr Kart was Kate Regganie from Chicago with an impressive 74.903!

Sports Car Club of America

Sunday's course design was a much more open and "road-racy" layout pleasing those drivers with significant aero, excessive horsepower, and a lust for a good adrenalin rush. Dave Gushwa laid down a good design rewarding any driver with the ability to drive a smooth line. Overall times dropped significantly and the cars ran the run groups fairly quickly in an effort to get all three run groups to run in the dry before the predicted rain showers arrived. The showers never appeared on the horizon, just a couple of C5A heavy transport jets doing touch and go landings resulting in ear splitting roar with their full throttle ascents directly over our event. So much for sound control

There was a good battle between codrivers Albert Chan and Dennis Bay of the Detroit Region, driving the (Continued on page 5)

## **RE** Notes Jeff Luckritz

**Everybody Seems Happy** 

As I sit here by the fire in the backyard in the middle of a warm, but comfortable July

evening, I can't help but feel all warm and fuzzy inside when I think about all the wonderful people that make up South Bend Region. Every program we are involved in has grown and matured into enjoyable and fun activities. People are starting to notice.

## Lane Automotive/Motor State Challenge

We had over a dozen members help out each day with the Motor State Challenge held at GingerMan and Lake Michigan College. Not a single individual made any money, or received any glory from the crowds. People stepped up and provided the best event the Pro-Touring group has ever seen. Here's a quote from their forums:

"I also found it amazing that the SCCA came out and "officially" sanctioned , set-up , timed , and scored the road course laps we did at GingerMan and the autocross at Lake Michigan College. They made us all weekend members of SCCA so we would be covered under the insurance. (for free) How cool is that ?????

I don't know if the SCCA guys from that region did the work for nothing or got paid, but either way, it was a welcome input .I guess Lane / Motorstate / Allstar had something to do with it. (Thanks Scott and Chad )I'm so glad they were there.What a great organization SCCA is.

Everyone should attend some SCCA events or join SCCA, and have a good time with your car on the track !!"

Our club has received some compensation from Lane Automotive NEW BUSINESS: Paula Nate of Hoosier Racing Tire has reand it's going to help both our autocross and race programs in the future. In addition, we've created a great relationship with Lane Automotive in Watervliet, MI. Scott Wahlstrom, from Lane is already making tentative plans for another event in 2010.

### Bert Olson National/Restricted Regional Race

On July 11-12, South Bend and Western Michigan Regions hosted the Bert Olson National/Restricted IT Regional at Ginger-Man Raceway. Our race chair, Paul McBride will be able to give you the full details at the August meeting, but I can tell you that this was a fantastic event. Our total car count was around 125,

Brazen C Stock Pontiac Solstice with Dennis taking the day. Street Touring was still tight with Jeff Mabrey of NWOR besting Will Lahee of Indy Region buy a mere .092 seconds. The same could be said of Street Touring Ultra with Kevin Kent of Indy Region squeaking by Chuck McMillion from Ft. Wayne Region by a slim .062 seconds. Steve Bollinger of South Bend Region got Scott Giles from Cincy Region on day two in G Prepared but it wasn't enough to take the weekend trophy. C Modified was again crazy close with Mark Lamm of Indy taking honors over Don Elzinga from Detroit for the weekend. Chuck Spera from Detroit joined us on Sunday to take the day over Michael LeVeque from Indy by a very close .040 in D Mod. Mr. LeVeque got the trophy for the weekend for his two-day effort. FTD again was grabbed by Clemens Burger in his very quick and well prepared B Mod LeGrand.

The GLDiv trophies were nice glass mugs complete with the sponsor and Solo Series logos and the mugs were stuffed with the appropriate blue, red, or white ribbon. The trophies were presented by the Division Solo Board member and Event Chair, Kim Bollinger. The usual witty banter and commentary from "The Voice of Solo", Lloyd Loring, entertained us all then wished us safely on our way home.

Make sure you collect your complete set of trophy mugs by attending all the GLDiv series events this year. Sincere thanks go out to all the hardworking South Bend Region members who did all the grunt work behind the scenes. Special thanks to our Divisional Solo Stewards Velma Boreen, Marlene Obenour along with all the GLDiv Series Board members for "herding all the cats" in the Great Lakes Division to make this series happen. A final thanks goes to the GLDiv Solo Series sponsors: <u>Tire Rack, Solo Performance.com,</u> <u>AX Ware Systems.com</u>, and <u>Mid Atlantic Motorsport</u>.

every corner station was manned, we stayed on schedule, and most importantly, the racers seemed to have a good time.

For the very first time since I've been RE, a steward actually sat down with me and gave me a summary of the events from her perspective. A lot of things were discussed, but three major points were made; 1) Paul McBride was an organizational icon (my words) this year, 2) she was amazed at the way SBR handled adversity with such class and poise, and 3) she praised us for our new relationship with WMR.

Paul is a genius. The very first thing he did upon his arrival to the track was to put up "Stewards Parking" signs at the base of the tower. Also helping his cause was the track management. They knew that we needed porta-potties at the base of the tower and they managed to place *two* there. Don't know how they got there, but somebody(who shall remain nameless, but his name rhymes with neon) even placed a sign on the porta-potties that read "stewards only." Unfortunately, the heavy winds blew the sign down Friday night.

Workers and racers enjoy attending our event. I talked with one worker from Arizona that had so much fun that she plans on coming back next year. She was one of three workers from that state...now that's a long haul. A buddy of mine that races a GT1 car praised us for a well-run, but relaxed event.

The 2009 Bert Olson race was a lot of work, but it's worth it. Thanks to the thirty-something people from South Bend Region that made it all happen. Let's plan on doing our part at the WMR/SBR Grattan race on August 8-9. Anybody can help.

SBR members and guests who worked to make the SBR/WMR Bert Olsen National a success: (not in order) Paul McBride, Mark Manninen, Jeff Luckritz, Duane Belisle, Lloyd, Loring, David Gushwa, Rod Markowicz, Lynnette Markowicz, Jim Desenberg, Dave Dawson, Eugene Wieczorke, Leon Krausss, Patrick Ohmann, Dave Bowman, HC Colwell, Mike Jennings, Tamara Bowman, Robert Gruber, Rex Higham, Jeff Pontius, Dennis Jennings, Jim Krzyaewski, Paul Stock, Chad Murfin, Vic Richter, Bernard Sparazynski, Melanie Stock, Robert Burns, Kristi Luckritz, Dan Schnitta, Kathy Pontius, Larry Pontius
