

Great Going at Grissom

July 23-24, 2005

The 4th event in the
SBR 2005 Solo Series

Course will be designed
by Steve Tamandli.

Join us at Grissom Aeroplex in 2005 for SBR's regional solo #4. It's a Cendiv Series event so you'll be running against the best in the area. It's good, clean concrete with plenty of room for safe fun. Widely regarded as one of the best autocross sites in Cendiv. The Grissom Aeroplex is about 15 miles north of Kokomo, IN and just south of Peru, IN on US 31. Use the new entrance to the Grissom Aeroplex at the foot of the big water tower about 1 mile south of the Air Museum. Take the first right after entering and follow the SCCA signs. Trophies and annual points will be awarded for all Standard SCCA classes and ladies classes. (2005 PAX/RTP factors will be used for the Tire Rack and Novice Annual Championships.)

Why must I pre-register for Grissom?

Two really good reasons:

- 1) With the possibility of over 200 entrants, it would take far too much time to process all drivers during the morning of the event. By requiring pre-entry we can plan to start cars running much sooner than normal at our local events. That also means getting home at a better hour for all of us.
- 2) We want to offer you as many runs as possible on this great concrete. We all benefit from your early entry.

NOTE! We offer pre-entry for all of our solo events on the web! Go to our website for details: <<http://www.sbrscca.org>> or enter at MyAutoEvents <<http://www.myautoevents.com/>> Use PayPal to prepay or send us a check.
