

Great Going at Grissom!

**June 7-8,
2008**

The 3rd and 4th events in the SBR 2008 Solo Series

Join us at Grissom Aeroplex, one of the best known autocross sites in the midwest. The Grissom Aeroplex is about 15 miles north of Kokomo, IN and just south of Peru, IN on US 31. Use the entrance to the Grissom Aeroplex at the foot of the big water tower about 1 mile south of the Air Museum (at about the US31 174.5 mile marker.) Take the first right after entering and turn left before the big building. Stop at the gate to the site.

This will be scored as two one day events, with trophies awarded each day. It will also count as two separate events for annual points. Trophies will be awarded for all SCCA classes. (2008 PAX/RTP factors will be used for the SBR Tire Rack and Novice Annual Championships.)

Why must I pre-register for Grissom?

Two really good reasons:

- 1) With the possibility of well over 100 entrants, it would take far too much time to process all drivers during the morning of the event. By requiring pre-entry we can plan to start cars running much sooner than normal at our local events. That also means getting home at a better hour for all of us.
- 2) We want to offer you as many runs as possible on this great concrete. We all benefit from your early entry.
